Changes to our Privacy Policy Statement

Following advice from the National Catholic Education Commission we have made a minor change to our Privacy Policy Statement to clarify that the school may disclose personal information and store information with “providers of specialist advisory services and assistance to the school, including in the area of Human Resources, child protection and students with additional needs”. This is in addition to the existing list of other agencies, departments and service providers the school already may disclose information to.

This is a relatively minor change but we provide this advice to our school communities in line with our duty of disclosure and accountability. The full text of our policy and policy statement with this new text highlighted in yellow can be accessed at www.cns.catholic.edu.au/about/policies.

These changes were endorsed by the Board of Governance on 11 June and take immediate effect.

News from Ms Harrison..

Dear Parents and Caregivers,

The school has been a hive of busy artists over the past couple of weeks creating art works for our upcoming art show next Wednesday evening. Each child has prepared a canvas to go on display in the Flexible Learning Space, some are individual pieces but most classes have come up with a clever collaborative piece of artwork to display.

Functions such as our Art Show are not successful without the support of our parent community. The children love to see their parents involved in school activities such as this, so I hope that this date is prominently marked in your family Calendar.

Thank you to Alison McKie for your wonderful time and energy given in coordination of the Art Show over the last couple of months in the lead up to the event. The P and F have sent out an email this week asking for any spare hands to assist with jobs and set up before Wednesday evening. If you are able to lend a hand in some small way it would be very much appreciated.

Many hands make light work.

I look forward to seeing many of you on Wednesday night from 5.00 pm to 7.00pm.

Peace and blessing for a wonderful week ahead,

Rosie

Are you due to update your personal information?

We have noticed a number of families contact details are not current this, includes not just contact phone numbers but address information and alternate emergency contacts.

To view your details in the parent portal is easy, click on the 'my details' button at the top of the screen, here you are able to edit your details which will then be forwarded through to Aimee in our office to update at our end.

We would appreciate if you could all take a minute to check the current information we have and make changes as necessary.

APRE News

Today at staff prayer we prayed using a beautiful poem titled "A Pebble" and within this poem is a line that mentions dropping a kind word. This brought to mind, how important it is each and everyday how important this statement can be and the impact it can make.

It is also similar of the following phrases:

'Smile and the world smiles with you,'

'Just one act of kindness can mean a million things'

'Never see a need without doing something about it' (Mary MacKillop)

There are so many wonderful phrases and sayings today that we don't place as a priority. So in this coming week we would like to think that we can focus on some of these sayings and hope that we can put a smile on someone's face. So this week we would also ask of you to do the same and make our world a better place one small gesture at a time. Paying it forward can be one example of seeing a need and doing something about it.

Thank you and blessings for a wonderful weekend,

Amanda

Dear Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- **Support our school's Book Fair. Allow your children to choose their own books to read.**

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair dates: 18/06/2018 to 22/06/2018

Shopping hours: 8am to 8.30am, 2nd lunch and 3pm to 3.30pm

Special activities: Class Activities to be announced, prize vouchers for each class. Vouchers to be used to purchase books from the Book Fair.

We look forward to seeing you and your family at our Book Fair! Remember, all purchases benefit our school.

Sincerely,

Rosie Harrison
Principal
